

FRUIT TREE

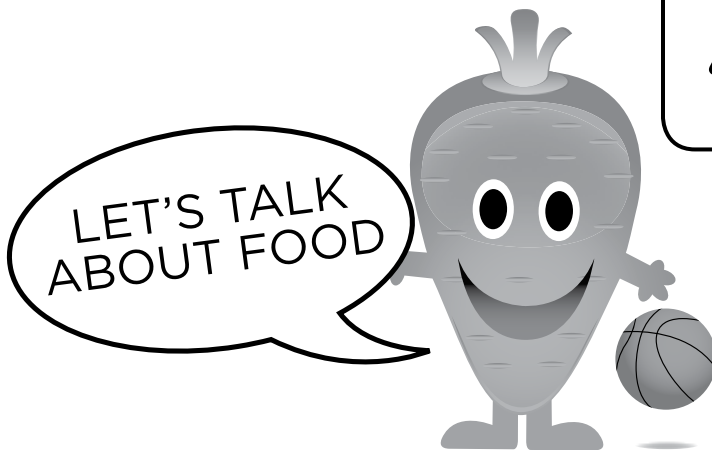

Equipment

- ✓ Cardboard
- ✓ Textas
- ✓ Scissors
- ✓ Glue
- ✓ Craft materials
e.g. coloured paper, paint,
pipe cleaners, pencils,
crayons, newspaper

RECOMMENDED AGES:
2 TO 5 YEARS

Activity

- 1** Draw a large fruit tree on a piece of cardboard. Stick this on a wall.
- 2** Give the children a variety of craft materials and ask them to create different fruits to hang off the tree.
- 3** Stick the children's fruit creations onto the fruit tree.
- 4** Display the fruit tree where everyone can see it.

Questions

- What fruits can everyone see up on the tree?
Let's see how many fruits we can name.
- Who knows where our fruits come from?

Facts

- The fruits we love to eat grow high up on trees.
- They start as a little seed, and they grow big and delicious until they are ready to pick from the tree.
- These fruits then get sent to the markets and shops for us to buy.
- Eating lots of different coloured and shaped fruits is good for our bodies and keep us healthy.
