

FRUIT AND VEGETABLE MATCHING GAME

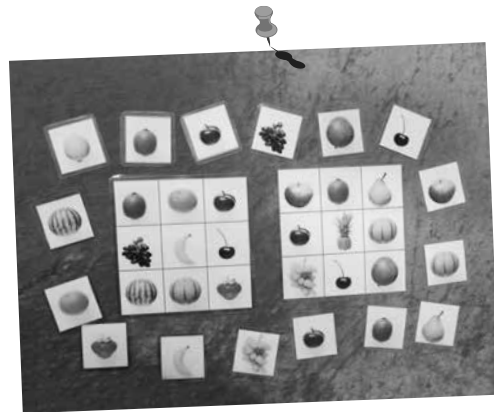

Equipment

- ✓ Fruit and vegetable cards and squares.
- ✓ Print, laminate and cut out the same images.

RECOMMENDED AGES:
3 TO 5 YEARS

Activity

- Provide the cards for the children to match individually.

CAN YOU
FIND MY
MATCH?

Variation

- Play as a group (children take turns turning a card over and attempting to match it to their card).
- For an additional challenge, on the base card, include images of the whole fruit or vegetable, and on the matching cards provide images of the fruits or vegetables cut in half.
- Children can create their own version of how to play the game.
